

REMARKS

Claims 1 and 3-6 are currently pending in the present application. With entry of this amendment, applicant amends claims 5 and 6 without prejudice.

Applicant seeks to amend claims 5 and 6 because the Examiner's Amendment added the word "an" to the beginning of the last element of each claim. With the deletion of the word "an," it is believed that claims 5 and 6 are consistent with the Applicant's Interview with the Examiner and no additional search is needed. Because this amendment does not present any new issues, Applicant respectfully requests entry of the amendment.

In the event the U.S. Patent and Trademark office determines that an extension and/or other relief is required, applicant petitions for any required relief including extensions of time and authorizes the Commissioner to charge the cost of such petitions and/or other fees due in connection with the filing of this document to Deposit Account No. 03-1952 referencing docket no. 393032044800. However, the Commissioner is not authorized to charge the cost of the issue fee to the Deposit Account.
